Experience Strength S-Line

Designed for users of all levels, the Experience Strength S-Line is easy to use. These single and dual-station strength machines are intuitive, require minimal floor space and provide a comprehensive conditioning circuit that meets the budget requirements of a wide range of fitness facilities.

Add-on Weights - Each S-Line station features add-on weights. Users can easily engage the add-on weight with a simple push of a lever.

Compact - The S-Line is designed with limited space in mind. All machines have a small footprint and a low profile design.
